## \* Business Relocation

Whether you're office relocation move involves a change of floors, to another part of town or a move to another part of the country - we can provide a personal, professional and flexible service.

Whatever your office requirements are, It's your Move has the resources, experience and flexibility to provide you with a successful move.

## \* Packing Service

We offer a three tier packing service with our all removals - full, part or do-it-yourself. The quantity of packable objects differs from household to household and you must never under-estimate the amount of items you have to pack.

## \* Secure Container Storage

It's Your Move Removals Ilkley offers a safe and secure container storage facility whether it be for a full house removal between moves, single items that you don't have the space for any more - but too precious to part with - be it for a few days to long term.

## \* Man and Van Hire

It's Your Move Removals Ilkley can supply you with a range of options as to hiring a "man and van".

See our website which gives an outline to costs if you chose this option.

Hiring a "man and a van" against hiring just a van yourself - The plus side of this option is you have the use of a fully equipped vehicle for the task and an expert at hand to ensure a smooth, professional operation - be it a single item or full van load. Also having the bonus of being fully insured should anything not go to plan.

Our man and van hire is available for Ilkley, Skipton, Otley and surrounding towns and villages.

## \* Specialist Moves

We offer a professional approach to moving treasured/valuable/special items such as pianos - Grand or upright ones - whether included in your removal or as a single item.

Both a local and long distance delivery service is possible.

## \* Contract Work

It's Your Move Removals Ilkley is available for Contract Hire - Be it long or short term, one-off retail/industrial deliveries.

We also offer a Film Set location service, Film Studio deliveries/work and Conference furniture deliveries to hotels/conference halls, etc.

## \* Packing Materials
